The ordinance regulating animal licenses has changed. When applying for an animal license for your animal, you have two options - an annual license or a lifetime license. Please be sure to provide a copy of current rabies vaccination certificate, and if appropriate, a veterinary record showing that the pet has been altered. Pick one of the below fees to pay, based on if your animal is altered (spayed or neutered) or not. If you choose an annual license, you are required to renew the license and pay a fee every year. If you choose a lifetime license, you are not required to renew your license and no additional fees will be charged. Lifetime licenses are not transferrable. No refunds will be issued for any reason.

**Pet License Fees:**

Pet License - Annual Altered	\$8.00
Pet License - Annual Unaltered	\$13.00
Pet License - Lifetime Altered	\$50.00
Pet License - Lifetime Unaltered	\$100.00
