**1. ROLL CALL**

Mayor Scott, Councilors Grams, Jarvela, Eckman, Mathison (Absent)

**2. PUBLIC FORUM**

Residents expressed concern for children and others cutting through their yard from one street to another. They have dogs in the yard and asked if the city could do anything about it. Their concern was, though the dogs are not aggressive, they are large and if they jump up on a child, they could knock them down and potentially injure them.

The council did not think there was anything the city could do and suggested signage, fencing, or contacting the police department for further guidance.

**3. ADJOURNMENT** Meeting Adjourned upon the call to order of the regular council meeting.
