- c. Should there be signage stating what it is and what it's not?

Discussion was held regarding the dog park, and it was determined to investigate what the other towns have posted on their entrance and once we know that we will discuss with the City Attorney what would be appropriate.

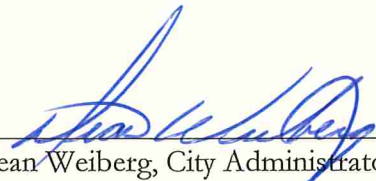

3. General conversation was had and discussed topics of a designated swimming area at Fisherman's point, graffiti on the transformer behind the library and if the City was going to patch some potholes on the road to the point. No action items came from the discussion but will be discussed with staff.
