1.0 2026 Budget Planning Working Session

Administrator Weiberg made the changes to the budget recommended at the November 24th meeting. The gas utilities were recalculated based on a three-year average for budgetary purposes resulting in additional \$20,000.00 savings. In addition, the budget was adjusted for part-time employment rates. The result of all the adjustments was \$93,451.00 in cost reductions from the preliminary levy whereby hitting the 9% target.

2.0 Resolution of 2026 Fee Schedule.

The 2026 fee schedule was reviewed and there were no recommended changes from 2025 with the exception of a 2% increase in some ambulance services and not charging non-profits, sporting events, and school groups for use of the arena sign. The resolution will be approved at the next regular Council meeting.
